## **FIVE: FORE RUNNERS' FORUM**

*Punch line: "We be the fore-front"*

### **Introduction:**

To have knowledge is not enough in today's world. It is all putting your knowledge in a nutshell and add colours of an imagination to make it effective and expressive. The intellectual development of the students has to be at par with the advancement of time. It is equally important to include them with enthusiasm devotion & creativity. The Fore Runner Forum is a right platform to encourage creative thinking & expression of thoughts.

It is a source of inspiration as well as encouragement for the students. The college provides opportunities for co-curricular and extra curricular pursuits. Fore Runner Forum promote co-operation, friendliness, cohesiveness, managerial capabilities, team development quality, leadership quality and communication skills. The creation and active movement of the forum has been the result of the vision and initiative of our revered Course Director Prof. G.Soral .

This forum is started to enhance the overall personality of the students and to provide an opportunities to the students to realize the hidden potential.

The student managers take initiative and responsibility to conduct various curricular activities in the class.
